Dear Walter:

Thank you for your recent letter. The Commission on Blacks and I appreciate your favorable consideration of our request, and we look forward to having representatives of The Commission on Blacks and Commission on Women meet with the respective Deans' Search Committee.

With regard to your plan to establish a Dean's Search Committee for the College of Business Administration, may I take this opportunity to indicate that the COB would like to provide you several names from which you may select a representative who could serve as the COB's representative on the Search Committee. We believe that a representative from the Commission on Blacks would be especially helpful not only to keep the COB informed of the Search Committee's progress but he/she would enhance communication between our Commission and the Search Committee as well.

Please let me know if this proposal is agreeable with you, or should you wish to discuss it further, I would be pleased to meet with you.

Thank you for your consideration.

Cordially,

Betty J. Cleckley
